

Do+The=Math

Classroom Group Submission Form 2008

Each class that submits 20 or more completed Do the Math Student Entry Forms, along with this Classroom Group Submission Form will be listed on our Web site and entered into a drawing for a pizza party.

Entries do not have to be from different students, since the Student Contest Rules state that students can submit as many different entries as they would like. Entries must be grouped by section or class. Each section or class should have its own Classroom Group Submission Form attached. KERA will not be responsible for matching student entries that are entered independently or for grouping separate single entries.

Please submit a different Classroom Group Submission Form for each different class you represent. For example, if you have 20 or more entries from your 1st, 3rd and 5th period classes, you would need to fill out a copy of this form for each different group since we will need the names of the students in each of those classes that submitted entry forms to add to the site.

Deadline for receipt of entries is November 3, 2008.

Entry address:

KERA, c/o Do the Math
3000 Harry Hines Boulevard
Dallas, Texas 75201

Entry fax number: 214.740.9358
